

FCRC Emergency Closure

As per the University's policy of adhering to the guidance of the NYCDOE regarding weather-related closures, RU will be closed when public schools are closed due to weather or other citywide emergencies (<https://www.rockefeller.edu/news/24260-university-updates-policy-storm-related-closures/>). In alignment with this action, FCRC will also be closed, in accordance with the University's decision.

1. FCRC Staff will cancel the sorts for the closure day with free of charge

FCRC Staff will cancel the sorts for the closure day with free of charge. However, we understand that you may have very important time-sensitive experiments planned, so we would like to ask you to re-book your sorts for another time that is most convenient for you. If you can't find an open time but have urgent need for sorting, please send the [FCRC Sort Waiting List Form](#) specifying the level of urgency and time flexibility. FCRC Staff will try to accommodate your sorts depending on availability, on a first-come-first-served basis.

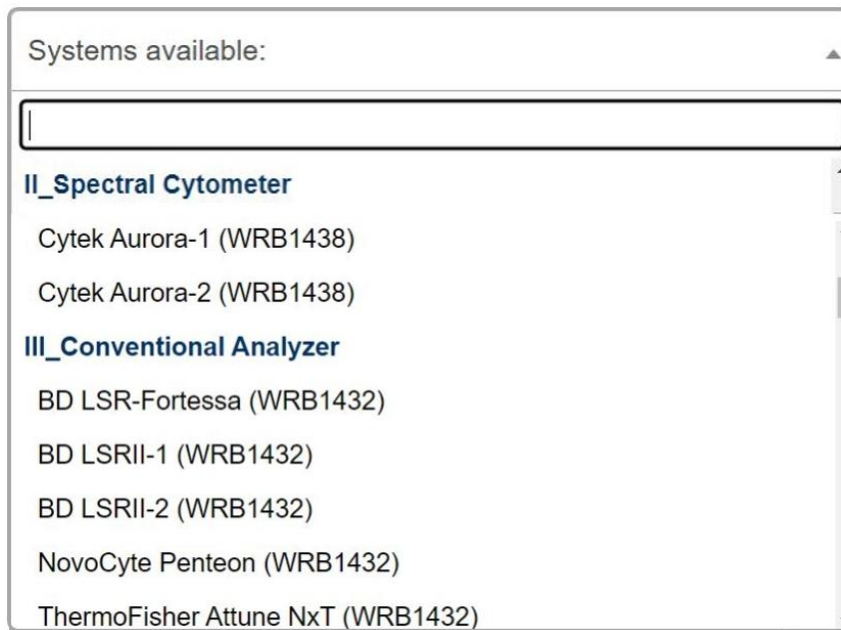

2. FCRC Staff will cancel all trainings which involves FCRC Staff on-site presence

FCRC Staff will cancel all training which involves FCRC Staff on-site presence. For FCRC trainings being canceled due to RU closure, please reply to the original confirmation email you received with new time options for you. FCRC Staff will reschedule the training depending on availability, on a first-come-first-served basis.

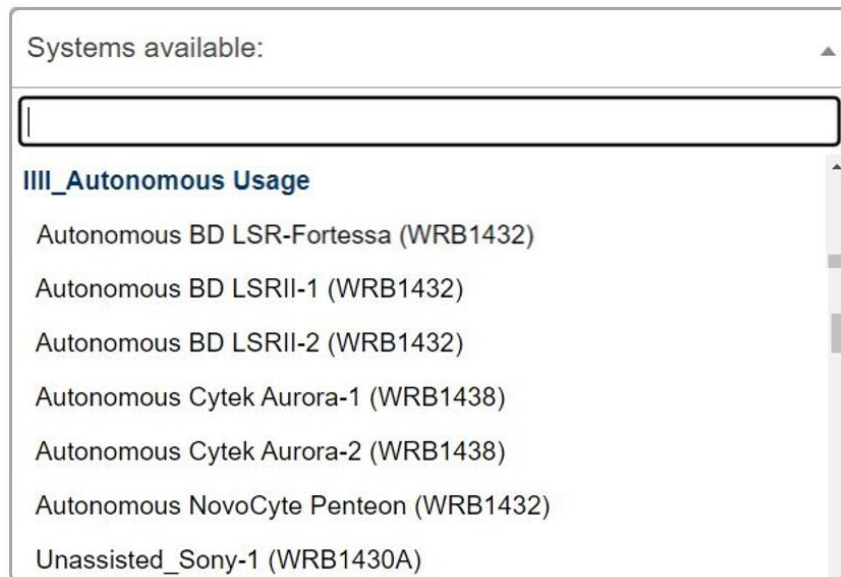

Note: Schedule for all currently booked Zoom-based remote consultations may stay unchanged.

3. The FCRC Self-Operated Cell Sorter and Analyzer Rooms (WRB 1430 / 1432 / 1438)

- A. All the sessions booked on the FCRC-PPMS under regular categories will be cancelled by FCRC Staff with free of charge:

- B. Cytek Aurora, BD LSRs / LSR-Fortessa, Agilent NovoCyte Penteon and Sony-1 will operate on After-Hours terms and open for autonomous user's usage by booking via FCRC-PPMS system under:

Thank you for understanding and for your cooperation, and again we apologize for any inconvenience that RU closure might cause you.

Note: For any questions / comments, you may contact FCRC staff by email. All communications should be done via FCRC_Staff@rockefeller.edu only
